For Immediate Release

FOR IMMEDIATE RELEASE---July 9, 2010—Mina, SD: Homeland Security Exercise

Glacial Lakes Energy, LLC will be performing a Homeland Security exercise at their Mina, SD facility on July 14, 2010 beginning at 6:00 pm. The training will focus on a "Simulated Disaster" which will consist of all Edmunds County First Responders reaction and rescue scenarios. According to Pete Bullene, GLE EHS Manager, "Practicing these rescue efforts better prepares us for a real live event as well as it's a requirement by OSHA."

Area Media are invited to attend this event. Interviews and picture opportunities will be available.

For more information, please contact Leland Treichel, Edmunds County Emergency Manager at 605-287-4394.
